50 No. Omega 200x100mm per sq.m.

Pattern OM.9. Half Block Stretcher Course
100 No. Half Block 100x100mm per sq.m.

All block statistics per sq.m. could potentially be rounded up to the nearest whole unit. When multiplied over a large area to get an overall volume it can result in a small excess being incurred. Generally for CBP quantities an extra of approx. 10% is suggested to account for natural wastage and cutting. Brett Landscaping cannot be held responsible for any excess or shortfall of units resulting from these statistics.
